At the end of the year we tend to look back on the "good ole days," often remembering those challenging cleaning tasks or studying for those difficult tests. Some remember just being individually unique and crazy while others remember their friends. Bending the rules brings overall good memories, like having animals in the barracks or dumping snow on certain persons as they sleep.

All I need now is a red suit.

Little Big Man.

We're related to the guy on page 16.

Are we going to be in the yearbook?

My personal bed warmer.

Scrub, Scrub, Scrub.

Sometimes studying can become a little difficult.

Yeah, I'm stuffing my face - so what?

Hey, turn that stereo off and start studying.

Does milk taste better in wine glasses?

Man, these kids never quit.

Sometimes we just have to get out of hand.

Pssst.

The ultimate reminder of Wentworth would be the waxing of the floors, shining of shoes, marching and maybe the pretty girls occasionally seen on campus.

Working company problems out, conforming to rules and minor difficulties became a way of life at Wentworth. Learning to take on responsibilities, understanding people's problems and helping their needs ultimately make a cadet what he is. Certainly everyone at Wentworth matures.

Please forgive me. I won't be a bad kid again.

Ha! Didn't catch me with my pants down this time.

It's nice to have girls around some times.

Sure wish man's best friend didn't stink so much.

Be careful, Captain, he's trying to steal your wallet again.

And after that you can do the parking lot.

A group picture of some of our local bums.

Some people act as if they have never seen snow before.

Another typical Sunday meal.

The cadet officers influence the direction of any year's corps. This year has seen changes in every company as well as many positions on battalion staff.

Which is the best company on campus? Which officers live up to their oath of office and are the ones most respected by the Rats? These are questions everyone should consider.

Administrators make up the weekly schedule every Monday morning.

Homecoming parade.

First Row: Sellers, Angove, Cova; Second Row: Toloudis, Zambrano, Amis, Postulka, Scott, Richart, Frankenfield, Honkus; Third Row: Johnson, Remacha, Andler, Smith, Gann, Al-Salloom, Fernandez, Purdy, Evans, Diaz; Fourth Row: Simmons, Binsbacher, Ammirata, Sloat, Allen, Becker, Jackson, Olson; Fifth Row: Miller, Walker, Ruiz, Butterfield, Ash, Ellerbeck, Rivera, Beck, Ceroli

At Wentworth there are many kinds of facilities for the cadets, including one of the best field houses around. It has an indoor track, basketball courts, wrestling and weight rooms, a racketball court and a swimming pool. There is also a room where karate and firing activities take place. Because the field house is so big, sometimes the baseball coach holds baseball practice there.

Outside there are ten tennis courts, a football stadium, soccer and drill field, practice field and track.

Because of these facilities many cadets have been able to become physically fit as well as enjoy competition at varsity level.

Two points.

The world's most graceful belly whop.

Bosworth gets ready to start again.

Hey! Come back, the goal is this way.

Gault! Hold on to that football! It's not an Easter egg!

WMA scores again.

I think the girls takes a better picture, guys.

Districts were held at WMA.

Homecoming pep rally and bonfire.

Come on down now! You've been up there long enough.

Look out. You're expendable.

Non-Reg shave, Bins.

Al-Salloom gets ready to hit the sack.

The Military Department staff teaches the cadets many things that someday could be of great benefit. The military teaches first aid, map reading, survival, and rappelling. These things are helpful even to cadets who don't plan to go into the service. They will be able to save someone's life, or to get out of the woods if they are lost, build a fire and get the wood for it.

Cadets also learn how to give speeches and teach lessons.

No! I'm not going to carry your field gear.

Please don't kiss me!

Operator? Yes, collect to area code 582 . . .

Why are you sitting on that?

Foxtrot takes a break.

The administration building, the student union, and the swimming pool.

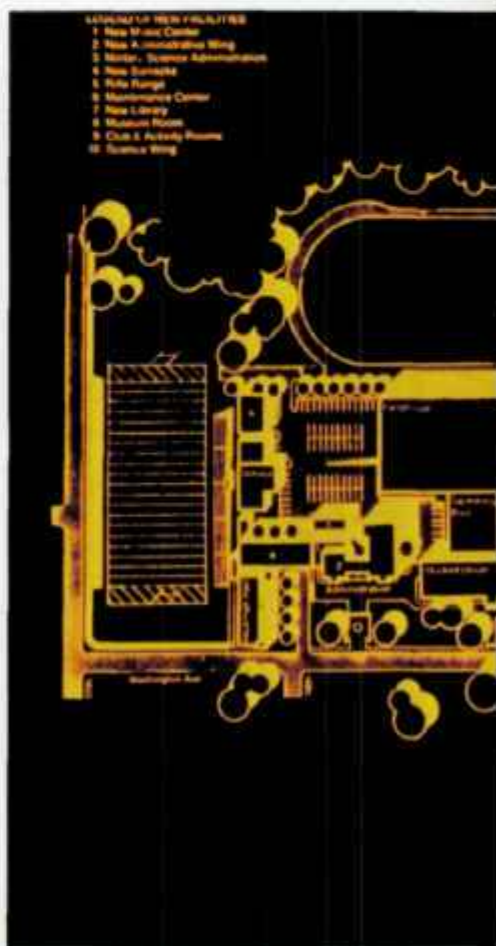

Sanford Sellers Hall with the student union and the field house in the background.

1980 marked the Second Century Development Plan, a \$4 million capital fund drive to rebuild the burned out area of the campus. Included in the plans are a new barracks, a band room, a nine point rifle range with arms and supply rooms, and military and administrative offices to be located within the shell.

1980 was the year that Wentworth Military Academy was listed on the National Register of Historic Sites, a nice 100th birthday present.

WMA is proud of its past and looking forward to the future.

I just love to curl up with a good book.

## Military

# MILITARY

This year the military gave a big surprise to returning old boys with their new gimmick "the new beginning." The thing that impressed the old boys the most was the issuing of all the field gear, and all the road marches and bivouacs.

Just sign on the dotted line.

Charlie cadets receive instruction.

Relaxing after a field march.

The Honor Guard performs its drill.

Segovia tu si eres chimbo.

What you want, Paleface?

Don't shoot! I don't even have a serial number!

Wentworth cadets attend Basic Camp.

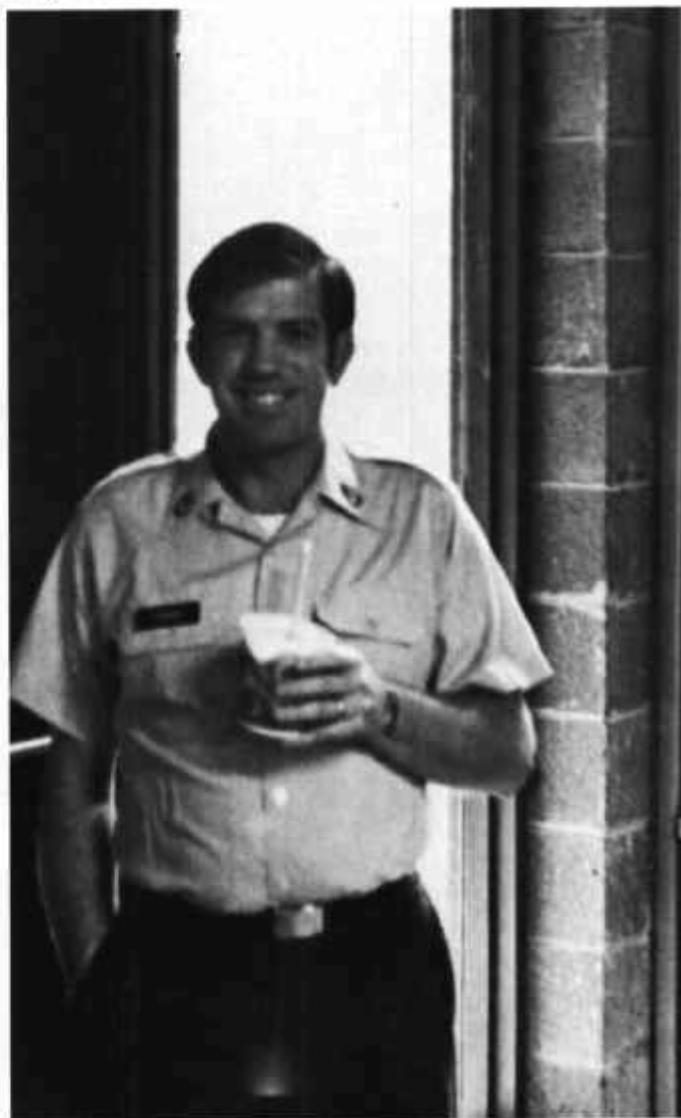

Cadets do what they love best.

The march nears the end.

These field marches are tough.

Home sweet home!

Each company sets up a circle of tents.

New Army officers are sworn in.

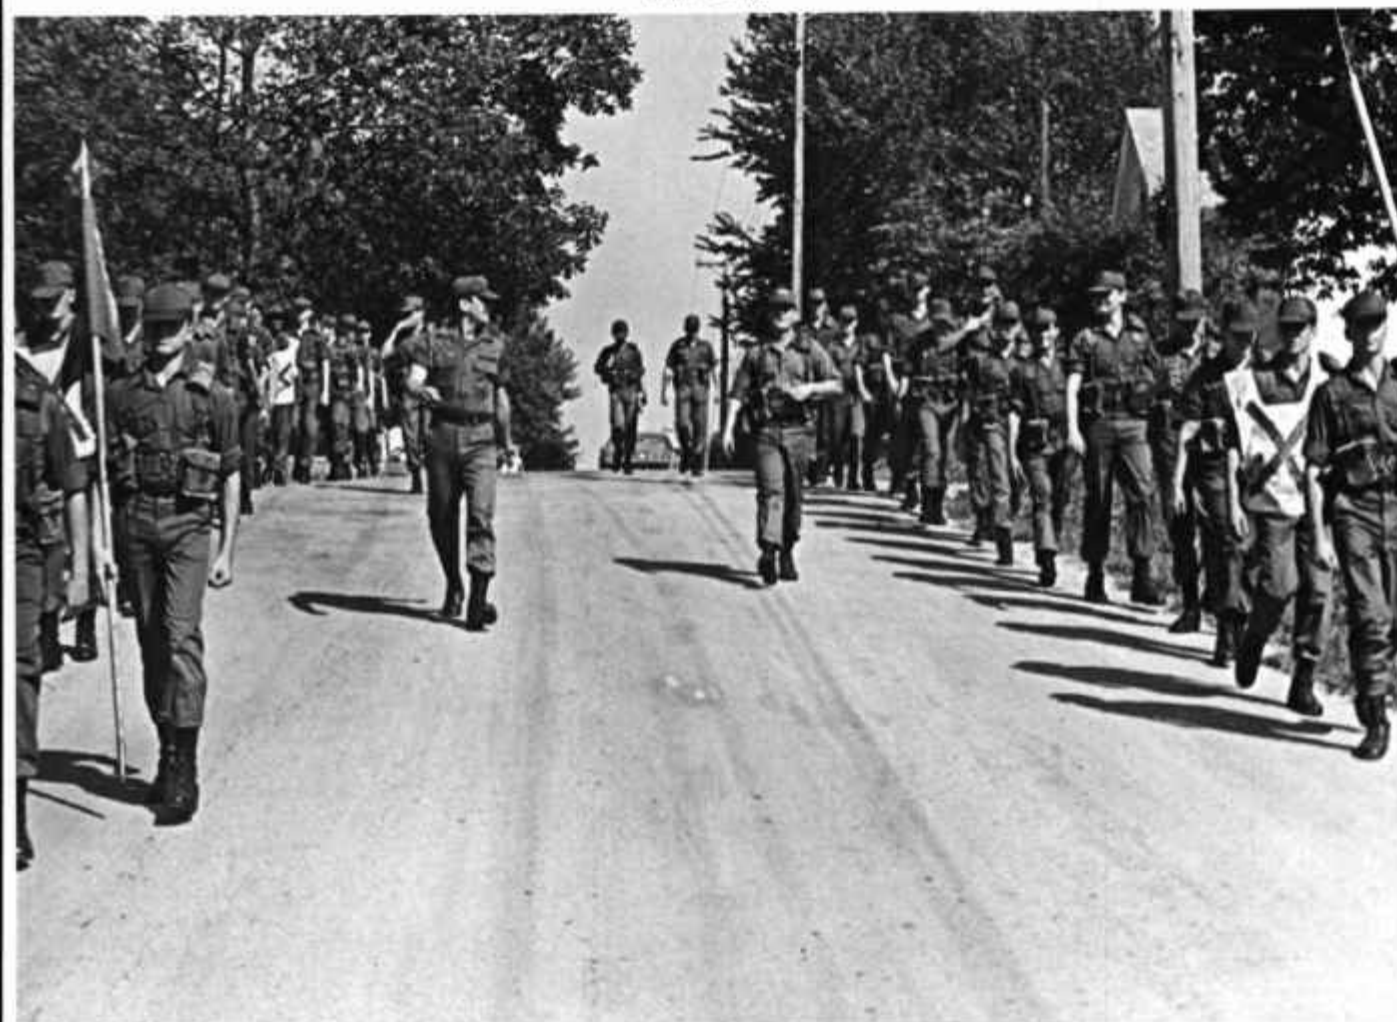

Fall in!

Cannon crew does its thing.

Basic Camp.

Maj. Bridwell marches with Headquarters.

Cadet Battalion Commander Matt Angove receives his rank.

Pre-race preparation.

On rappel!!

Waiting for a train.

Follow the ribbon.

# HS FOOTBALL

This year's 1980-81 hard hitting football team ended the season with a 500 record of 4-4.

This year's team had a lot of talent. It was a very young team coached by Major Paul Butherus. The last four games of the season the football players pulled together as a team. With a lot of rookies, next year's team should be even more promising.

And I thought the day of the dumb jock was over?

Dave Acosta breaks away for the touchdown.

First Row: Woytek, Russer, Andler, Hockett, Slater, Mudd, Amis, Hoffman, Coach Butherus; Second Row: Acosta, Bittrich, Fuller, Montellano, Becerrit, Solis, C. Boyd, Serrano; Third Row: Raetz, Baier, McLaughlin, Noonan, J. Boyd, Perkins, Urban, Plumlee; Fourth Row: Antoine, C. Ruiz, Lesar, Nahmias, Nelson, Gault, Scroggins, Juneau.

Hey, he's over here!

Nelson never thought the odds would be four to one.

Dave Acosta makes twenty yards.

My mom told me things like this would happen.

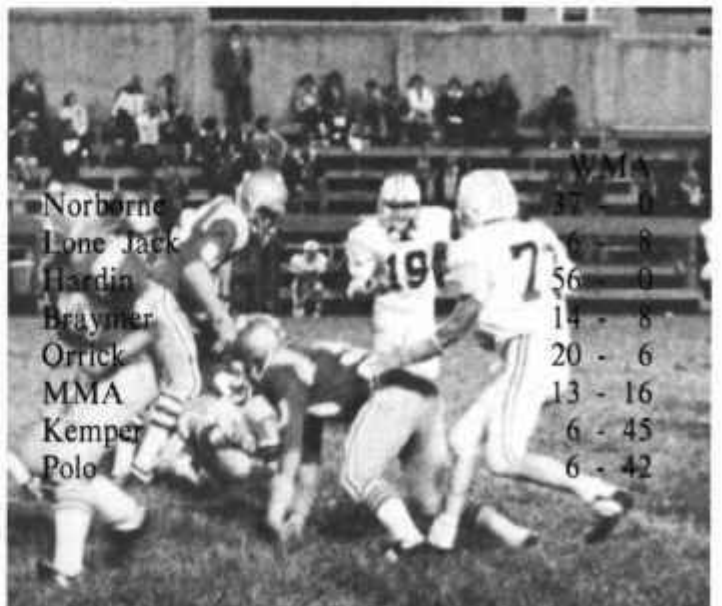

John Gault never knew that takedowns also applied in football.

Joe Boyd read in his contract that there would be times like this.

Dave Acosta gets tackled at the homecoming game.

# ALPHA

Do you remember that foreign student that came to Wentworth to learn English and went back home not knowing any language at all. What about someone's ice bed during the winter season? Or Spratley's early shower in the snow because he took an unauthorized sleepthrough.

Do you remember how we used to hate those early whistles for breakfast formation and finally on commencement day everybody had the pleasure of dancing on it.

As the year went on, we became closer to each other and by the end of the year, our friendship was as close as brothers.

There are many things that we will remember from Alpha company. We won't just keep them in our minds, but also in our hearts. Alpha company is still number one.

Lt. Purdy wasn't hard at work playing frisbee.

We had toga parties during band, and of course, the morale increased.

The member of Headquarters Company would like to express their sincere appreciation to Capt. Roger Kendall, whose talent and consistency helped us overcome obstacles to make the band what it is today.

# FOXTROT COMPANY

Remember when everyone thought Capt. Fernandez was a Foxtrotter because of his height? What about our unexpected visitor during noon formation? And what about the times we woke up Honor Guard or a Saturday morning with our P.T.? What about the brawls with Honor Guard? With all of the hard work, determination, and will to be the best company, we made it!
