MISSION

The mission of Wentworth Military Academy and Junior College is to provide the environment and resources necessary for its students to develop their potential in academics, leadership, physical well-being, moral character, and self-discipline, so they become productive citizens in a diverse global society.

*In Loving
Memory of
Coach Tom Hayes
1943-2012*

Coach, Counselor, Teacher, Friend

"Major Tom Hayes was a man of honor and integrity. Tom spent his life in service to others, especially in education. He touched the lives of many students in the years he worked in education and also on the wrestling mat and the football field. He always had an encouraging word to share with a student/cadet or athlete. He was one of the most positive people I knew. He wanted everyone to do their best, feel good about doing their best, and always keep trying to do their best...never give up! I am not sure how many people Tom touched in his life time, but I know for sure his legacy will live on for generations to come. Thank you Major Hayes for touching our lives and allowing us at Wentworth Military Academy to walk down the path of life with you!"

We tied for first place there and were able to defeat two NJCAA Division I teams. The young women played as hard as they possibly could and truly became a team at that tournament."

-Coach Lindsey Mesner

Team Spirit!

This season, the players had so much fun and enthusiasm. They showed a lot of teamwork and love towards each other. Through wins and losses, they stuck together and made the volleyball season memorable.

THE ARMY SONG

First to fight for the right,
And to build the Nation's might.
And the Army goes rolling along
Proud of all we have done,
Fighting till the battle's won,
And the Army goes rolling along.

Then it's Hi! Hi! Hey!
The Army's on its way,
Count off the cadence loud
and strong (TWO! THREE!)
For where e'er we go,
You will always know,
That the Army goes rolling along.

Folding of the American Flag

Each fold of the American Flag has a specific meaning:

The first fold of our Flag is a symbol of life.

The second fold is a symbol of our belief in eternal life,

The third fold is made in honor and remembrance of the veterans departing our ranks who gave a portion of their lives for the defense of our country to attain peace throughout the world.

The fourth fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in time of war for His divine guidance.

The fifth fold is a tribute to our country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right; but ut us still our country, right or wrong."

The sixth fold is for where our hearts lie. It is with our heart that we pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

The seventh fold is a tribute to our Armed Forces, for it is through the Armed Forces that we protect our country and our flag against all her enemies, whether they be found within or without the boundaries of our Republic.

The eighth fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor mother, for whom it flies on Mother's Day.

The ninth fold is a tribute to womanhood; for it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.

The tenth fold is a tribute to the father, for he, too, has given his sons and daughters for defense of our country since they were first born.

The eleventh fold represents the lower portion of the seal of King David and King Solomon and glorifies in the Hebrew's eyes, the God of Abraham, Isaac, and Jacob.

The twelfth fold represents an emblem of eternity and glorifies, in the Christian's eyes, God the Father, the Son, and Holy Spirit.

The thirteenth fold, or when the flag is completely folded, the stars are uppermost reminding us of our nation's motto, "In God We Trust".

Trip to Mizzou!

At the end of the season, we celebrated with a trip to Columbia to watch the University of Missouri Tigers Volleyball team play Arkansas. While there, we toured campus, had our photo taken at the famous columns (above) and ate delicious pizza at the nationally-known restaurant, Shakespeare's.

"This season is one that you should be proud of. You guys came to every practice ready to take on the challenge set in front of you. We were able to play teams in competitive matches and come out successful. Overall, we were 400% more successful this season than in the last two years. I know that you don't understand the huge amounts of progress that you made, but as a coach, you grew by leaps and bounds."

—Coach Young-Mueller

"The 2012 Wentworth Military Academy football season brought about a challenge in many ways. In addition to the number of first year players in the program, a new head coach, and the Red Dragons schedule, which was highlighted with two Class 2A opponents from the Kansas City, MO area. Although the won-loss record did not reflect the effort/progress that was shown on the field, members of the team competed every week throughout the season. The offense was led by senior running back Eduardo Schoener (who rushed for over 900 yards in eight games), senior running back/placekicker Steven Clayton, and junior quarterback Caelan Fanelli. The defense was led by junior outside linebacker Dylan Clark, junior outside lineman Zuohang "Jimmy" Yu, and sophomore defensive back Max Scheve."

Minsoo Choi keeps his pace during a run.

Talina Brown, Ashley Pratt, & Drake Wick are happy about their wins.

"The Sherwood Invitational was by far the best race of the season. All three of the runners that attended the race set PR's. Everyone dropped at least 1:45 off of their previous best. I was so proud of Minsoo Choi after he finished in 6th place with a time of 22:10 that I picked him up like a sack of groceries and carried him to the water table."

The Runners

Rory Burchell: Our Nebraskan corn-fed runner was all guts. Rory had multiple injuries, multiple times throughout the year. Rory had a great season.

Drake Wick: Mr. Wick's season was cut short for medical reasons. While he was running, he improved his PR every time he ran. I look forward to seeing how far he can advance next year.

Ashley Pratt: Ashley showed great strides over the course of the season. Despite her being a "sprinter" and just running cross country to stay in shape for track, she excelled.

Tally Brown: Tally is probably the most gifted runner on our team this year. She started the year at 30 minutes flat and dropped her time to 24:52 two weeks ahead of districts.

Minsoo Choi: What can I say about Minsoo Choi other than he gave every meet and practice everything he had? Minsoo went from the 71st fastest runner in the district to the 36th fastest runner as a freshman. He really embraces cross country and it showed in his times.

Talina Brown, Drake Wick, and Ashley Pratt get ready to start their run.

Freshman Talina Brown led the Lady Dragons on the court. As the season progressed, all of the girls made tremendous improvements. By the end of the season, we were the team that nobody wanted to play."

Courtney Everhardus goes up for the ball at tip-off.

"Our most memorable moment this season has to be the game at home against Calhoun. The girls got down early in the first quarter and throughout the game they worked their way back to within 3 points with 2 minutes to go. The crowd was great and the girls were very proud of themselves."
