MISSION

The mission of Wentworth Military Academy and Junior College is to provide the environment and resources necessary for its students to develop their potential in academics, leadership, physical well-being, moral character, and self-discipline so they become productive citizens in a diverse global society.

CORE VALUES

Teamwork: Strive to be a strong and loyal team member. Being a true team member requires believing in and devoting your efforts to something greater than yourself.

Honor: Honor is your word. It cannot be taken from you, and it is freely given. Honor is the matter of carrying out, acting, and living the values of respect, duty, loyalty, integrity and teamwork in everything you do.

Integrity: Do what is right, legally and morally. It requires that you do and say nothing that deceives others. As your integrity grows, so does the trust others place in you. Without integrity all other values fail. Integrity is the summation of our character.

Respect: Treat others with dignity and respect and expect others to do the same. If you do not first give respect do not expect to receive it. Respect is the only value that you have to earn. Self-respect allows you to appreciate the best in yourself, resulting from knowing you have put forth your best effort.

Duty: You are obligated to do what must be done. Duty means being able to accomplish tasks as part of a team. We have duty at all levels: duty to self, duty to family, duty to nation and state, duty to job, and duty to team. You fulfill your obligations as a part of your unit every time you resist the temptation to take "shortcuts" that might undermine the integrity of the end product.

In Memory of...

"The Wentworth family has lost a dear friend and a great alumnus. Congressman Skelton loved Wentworth Military Academy and College. He never forgot his experience here and how it affected his life. We appreciate Ike and everything that he stood for. He always worked hard to represent our institution and all military junior colleges giving young men and women more opportunities to find success. He was a great Missourian and a great supporter of all the people that he represented."

--Colonel Michael Lierman
President of Wentworth
Military Academy & College

Congressman Ike Skelton

Ike Skelton attended high school at Wentworth Military Academy in 1945. He returned to attend Wentworth Military Junior College in 1949 and graduated in 1951. He then attended the University of Missouri and the University of Edinburgh in Scotland. He became a lawyer and served as the Lafayette County prosecuting attorney from 1957 until 1960 and a special assistant attorney general. Skelton was a member of the Missouri Senate, representing Lafayette County from 1971 until 1977. From 1977 to 2011, he served as the United States Representative for Missouri's 4th Congressional District. He served as the Chairman of the House Armed Services Committee during this time.

Ike Skelton died on October 28, 2013 at the age of 81. The visitation and funeral for Congressman Skelton was held on November 3 & 4, 2013 on the Wentworth campus.

"We all lost a good friend when LT Togi was killed in action in Afghanistan. I will never forget this wonderful young man. As I think of him, I will remember his wonderful smile, his kind heart always helping others, his belief in being a good follower and his leadership. He was a good friend and brother, a good soldier and officer. I often think of the scripture that LT Togi so dearly believed, 2 Timothy Chapter 4, Verses 6-8; 'For I am already being poured out like a drink offering, and the time for my departure is near. I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day-- and not only to me, but also to all who have longed for his appearing.'

I salute you LT Togi. May God bless your spirit. I look forward to the day I will see you again."

--Colonel Michael Lierman
President of Wentworth
Military Academy & College

Lieutenant Jason Togi

First Lieutenant Jason P. Togi graduated from Wentworth Military College on May 22, 2010. The same day, he was commissioned a Second Lieutenant. While attending Wentworth, Togi was a member of the junior college indoor track team, Wentworth Honor Society, Phi Theta Kappa, and the International Club. He attained the rank of Captain in the Corps of Cadets. Jason joined the United States Army on September 15, 2011. He was deployed to Afghanistan on July 4, 2013 as an engineer platoon leader in Charlie Company, 2nd Brigade Special Troops Battalion, 2nd Brigade Combat Team, 1st Cavalry Division. First Lieutenant Togi was killed on August 26, 2013 in Hasan Karez, Afghanistan, when enemy forces attacked his vehicle with a roadside bomb. A memorial service was held in his honor in the WMA chapel on November 10, 2013.

"This has been an amazing year for Wentworth Volleyball! As a coach, we look for those players that will choose to lead and even carry the team through hard times, losses, and injury. I hope that when people look back at this team, they will see all the things that Wentworth stands for! No one wins, unless we all win, no one loses when we all fight. Thank you all."

We had strong retention (100% of scholarship players returned), more players, and a very strong defense which helped us to have a very strong goals-against average of 1.75 per game. We were very competitive and were in every game. I look forward to continuing to grow this program."

"The very best moment for me and the team this year was beating Crowder Community College. Crowder is coached by the man that coached me in college. It was our only "Corps Mandatory" game of the season and it was fun. It was a soccer atmosphere. The cadets were singing soccer chants, it was loud, the drums were playing....it was awesome and the players fed off of the great atmosphere. Most importantly, the cannon went off 4 times in the second half as we came back from a 2-0 deficit to win the match 4-2."

"What originally appeared to be a veteran team with quite a few returning starters, quickly turned into a relatively young squad, as two returning starters from the previous year left school during the Fall semester, while another key player transferred to a 4 year NCAA school at the end of the semester to play baseball," said Head Coach Joe Aull.

"The Dragons fought hard all year and continually showed a lot of improvement during the course of the season. The highlights of the season included the big extra inning victory over previously ranked North Arkansas during Military Ball weekend, as well as a doubleheader sweep at home against the Missouri Valley College JV team. The Dragons also came within a hair of beating Regional Champion Longview at home, and played very competitively against many of the other teams on their schedule. The Dragons were led by 6 sophomores, all who completed their second season of baseball at Wentworth. Those players were: Curtis Barger, Tanner Eastabrooks, Cole Eastwood, Beau Franklin, Rob Gallagher, and Jordan Hood."

Mid-Year Commencement

And Commissioning

Far left: The newly pinned Second Lieutenants are excited to continue their life journeys.

Left: 2LT Benjamin Zielinski returns his first salute, with his mother by his side.

Impending bad weather shortens ceremony

With a winter storm in the forecast, the commencement ceremony was cut short to allow students, cadets, parents, faculty and staff the opportunity for a safe start to the holiday season.

On December 13, 2013, three Wentworth Military College cadets were commissioned and then received their Associates Degree. Maumagasiva Sou, Joshua Scott and Benjamin Zielinski stood before their families, friends, and the 134th Corps of Cadets, and proudly took the Oath of Office. The new commissionees then walked across the stage, where COL Lierman presented their diplomas and congratulated each one on a job well done.

COL Lierman congratulates Joshua Scott. 2LT Scott will continue his studies in Virginia and plans to major in Political Science.

Joshua Scott has his shoulder boards mounted by his mother Myra Scott, and grandmother Mary White.

Benjamin Zielinski is congratulated by COL Lierman. 2LT Zielinski was the Battalion Commander for the first semester.

Maumagasiva Sou receives his diploma from COL Lierman. 2LT Sou plans to major in Criminal Justice at Missouri Valley College.

LTC Jeffrey Perry administers the Oath of Office to the Commissionees.

Mounting 2LT Sou's shoulder boards are his mother Sauaso Sou, and his brother Frankie Sou.

The graduates listen as COL Lierman welcomes everyone to the ceremonies.

Congratulations on your accomplishments!

EARLY COMMISSIONING PROGRAM CADETS

Our most sought after program is the Early Commissioning Program (ECP). ECP is a 2-year program that allows college students to receive a U.S. Army commission as a Second Lieutenant upon graduation from Wentworth.

Upon graduation from Wentworth with an associate's degree and a commission, recipients must complete their bachelor's degree at a four year college of their choice, and will also serve with a National Guard or Reserve unit while completing their bachelor's degree.

This program is competitive and highly popular, not only because you can complete your college degree with substantial Army scholarship benefits, but you can also earn money serving as a Second Lieutenant while completing your degree.

Front row: Taulagoola Utai, Hugh Benner, Lauiva'a Tavai, Justin Aldred, Ryan Todd, Jordan Lohman, Kyle Christiansen, Emmanuel Nyarko, Samuel Kolkow, Thomas Byrne, Austin Hale, Edward Dela Cruz, Taylor Wolf, Mickey Shelton, Anthony Steffany, Fred Meaole.

Falcon Cadet Courtland White with Lieutenant General Jay W. Kelley, USAF (Ret.). LtGen Kelley is the President of the Falcon Foundation.

Proud Moment
Courtland White receives his scholarship to the Air Force Academy.

Shining Stars
Courtland White and Joseph Wilde are accepted into the United States Air Force Academy. For over 20 consecutive years, 100% of Wentworth Falcons have earned appointments to the Academy.

Falcon Cadet Joseph Wilde with LtGen Kelley. It is extremely difficult to be selected to the USAFA. According to their website, in 2010, the acceptance rate was 11% and those numbers have decreased since then due to budget constraints.

Congratulations!
Wentworth President COL Michael Lierman, Joseph Wilde, Courtland White, and LtGen Jay Kelley.

Achieving Success
Joseph Wilde receives his scholarship.

FALCON CADETS

The commencement ceremony will remain a great memory for many years. On Saturday morning, May 17, 2014, fifty college cadets received their Associate Degrees. But, what made it more memorable was the honorary Associate Degree presented to Mrs. Norma Maring. Mrs. Maring retired after 57 years working at Wentworth. "She is a special lady and we all love her and will miss her as she begins the next phase of her life as a retiree," said COL Lierman. Major General Stephen L. Danner, Adjutant General of the Missouri National Guard, gave the commencement address. Major General Danner spoke of the Wentworth core values and encouraged the graduates to use those values of teamwork, honor, integrity, respect and duty as they move through life. The weekend events ended with the traditional flag ceremony, an emotional ceremony where the high school cadets form a circle and the college graduates form a square around that circle. A flag is passed to each cadet as the cadet honors the flag with a kiss, while Auld Lang Syne plays in the background.

The Sounding of the Cannon

Duty, Honor, Country

The 134th Corps of Cadets officially start the school year with the Sounding of the Cannon ceremony. Wentworth President COL Michael Lierman welcomes guests, parents, faculty, staff, and cadets to the ceremony. The keynote speaker, Mr. Terry Thompson, Vice-President of B & L Bank, talks about upholding the tradition and pride of Wentworth and the possibilities and opportunities the cadets have in their lives. The Battalion Commander, C/LTC Benjamin Zielinski, then welcomes everyone and speaks about his expectations for the coming school year. The Corps of Cadets Oath is administered by Commandant LTC Darren Fitz Gerald. Toward the end of the ceremony, excerpts from General Douglas MacArthur's last speech which he gave to the Corps at West Point, "Duty, Honor, Country", are read aloud. Three shots from the cannon signify the start of the 134th school year.

Welcome Back to School!

Homecoming 2013

Over 600 cadets, alumni, faculty, staff and friends gathered together to celebrate the 2013 Wentworth Military Academy and College Homecoming Weekend. The 134th Corps of Cadets called upon many to join in the celebration of Norma Maring's 80th birthday and made it one of the best homecoming weekends in a very long time. In addition to Norma Maring's birthday festivities, class reunions were held for the classes of 1943, 1953, 1963, 1973, 1983, 1988, 1993, and 2003. "The 2013 Homecoming Weekend was one of the best weekends that I have been a part of at Wentworth Military Academy and College," said Colonel Mike Lierman, President. "Many people have worked for a very long time to plan the events for homecoming and they did an outstanding job. It is truly amazing the number of events that happen during the homecoming weekend at Wentworth. I'm so proud that so many gathered to enjoy the festivities."

The weekend festivities started on Thursday evening when many of the cadets from the 134th Corps of Cadets participated in a special Wentworth talent show, under the direction of CPT Jay Robbins and CPT Gary Love, the cadets showcased their many talents.

The annual Ed Ellis Golf Tournament was held on Friday morning at Shirkey Golf Course in Richmond. The 4-man scrambled teams, comprised of alumni, faculty, staff and friends of Wentworth, competed for the tournament trophy. The Merrill-Lynch team claimed the trophy for the second consecutive year. Money raised at the tournament supports the alumni scholarship fund.

The main event on Friday was the 80th birthday celebration for Norma Maring that evening. The Wikoff Field House on the Wentworth campus was completely full of cadets, alumni, faculty, staff and friends there to surprise Mrs. Maring for her 80th birthday; even her bridge club joined the party. The party included performances by the band and choir, and a special solo by CPT Jay Robbins. COL Lierman presented a bouquet of eighty roses, a Wentworth flag that had been flown over campus, and a giant birthday card signed by the cadets, faculty and staff to Mrs. Maring. Cadet Benjamin Zielinski, the Battalion Commander of the 134th Corps of Cadets, presented her with two framed photos of the 134th Corps of Cadets and a crystal dragon statue.

The Wentworth/Kemper annual trap shoot was held on Saturday morning with team Wentworth bringing home the trophy.

On Saturday morning, 67 participants gathered for the inaugural Red Dragon 5k Run. Participants ranging in ages from 5 to 65 either walked or ran the 5k course. U.S. Army SROTC cadets provided traffic control at all intersections along the route. Finishing the course first was Wentworth College soccer player, Leonardo Padua. Cadet Padua also submitted the winning design for the 5k t-shirt contest.

Other events on Saturday included the parade, football game, alumni banquet and Athletic Hall of Fame inductions.

Approximately 200 were in attendance at the Alumni banquet on Saturday evening. Medals were presented to members of the Class of 1943, 1963, 1988, and 1993. The Wentworth Athletic Hall of Fame inductees were also recognized and presented plaques. Alumni association officers were announced at the event as well. Inductees for the Wentworth Athletic Hall of Fame were coaches COL Rick Cottrell and Randy Florence. Francis "Doc" Johnson was inducted posthumously. Former athletes Todd McGowan and Roberto "Chevy" Vega were also inducted into the Hall of Fame.

The weekend concluded on Sunday with a memorial service, dress parade and alumni flag ceremony.

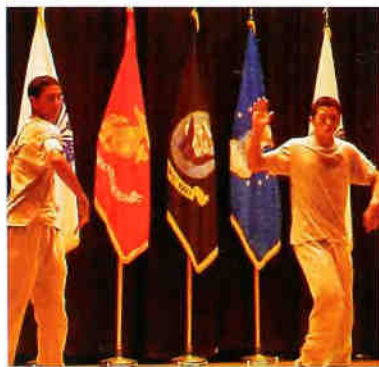

Major Sam Ratcliffe spoke at the memorial service, remembering and honoring those who lost their lives in service to our country and recognizing those alumni who have passed in the last year. Mrs. Maring served as the wreath bearer, placing a wreath at the monument.

Following the memorial service, the 134th Corps of Cadets participated in the "Pass in Review" dress parade. The reviewing party consisted of COL Lierman, Norma Maring, and alumnus Frank Garrett, of Lewisville, Texas.

In a League of Her Own

Each year, a notable person is asked to select the military ball queens from those that have been nominated. In 1936, the inaugural Military Ball was held in Lexington on the Wentworth campus. Actor Gary Cooper was the military ball judge. This year, Alice "Lefty" Hohlmayer is our judge. Lefty is a former first basewoman and pitcher who played in the All-American Girls Professional Baseball League from 1946-1951. Her career highlights featured pitching 42 consecutive scoreless innings in 1950. She is the only female to get a hit off Satchel Paige in an All-Star Game in 1947. In the movie, *A League of their Own*, which was inspired by the All-American Girls Professional Baseball League, Lefty is played by actress Rosie O'Donnell.

In 1988, Lefty Hohlmayer was inducted in the Cooperstown Baseball Hall of Fame. Some of her other awards include: the 2nd Annual Great Sports Legends (1993), Lifetime Achievement (1997), induction into the Ohio State University Hall of Fame (2001), and selection to the Ohio State University All-Century Softball Team (2002).

We are honored to have Mrs. Hohlmayer as our judge for this year's military ball," said Colonel Michael Lierman, President of Wentworth Military Academy and College. "Her experience as a female athlete has made a major impact on our society. She is very inspirational and we thank her for agreeing to be the 2014 military ball judge."

Lefty Hohlmayer selected the following 2014 Military Ball Royalty:

Overall Record: 4-13-1

"This year the Lady Dragons really stepped it up. We had 5 returning players and a handful of new faces. Some of the new girls stepped onto the court with previous volleyball experience, which made it easier to start the season in a positive direction. The girls put forth a great effort. We set goals for our season and we reached some of them. I challenged the girls to the Homecoming 5K. We took practice time to help prepare for this event. I know that it might seem odd to have a volleyball team compete in the 5K, but I wanted the girls to conquer something they never saw themselves doing at the beginning of the season. I am really proud of the girls. Although our record may not show it, we were able to compete with numerous schools. This includes victories over Chilhowee and NE Kansas City, the first in 2 seasons. This was a great season, and ended the way we started....POSITIVE!!"

The team was always ready on time (if not early), they did almost everything that I asked them to do, and they had fun playing the game. I hope the team had as much fun this season as I did. Abdullah Al-Shanfari

Mid-Year Graduation

With a winter storm in the forecast, the commencement ceremony was cut short to allow students, cadets, parents, faculty and staff the opportunity for a safe start to the holiday season.

On December 13, 2013, three Wentworth Military Academy Cadets graduated from high school. Abdullah Al-Shanfari and Pedro Fernandez decided to try to beat the storm and left campus early that morning. Anna Pavey stayed, walked across the stage, and received her diploma from COL Lierman.

Anna Pavey is congratulated by COL Lierman as he hands her the diploma she worked so hard for.

The commencement ceremony will remain a great memory for many years. On Saturday morning, May 17, 2014, twenty-one high school cadets received their high school diplomas. What made it more memorable was the honorary Associate Degree presented to Mrs. Norma Maring. Mrs. Maring retired after 57 years working at Wentworth. "She is a special lady and we all love her and will miss her as she begins the next phase of her life as a retiree," said COL Lierman.

Major General Stephen L. Danner, Adjutant General of the Missouri National Guard, gave the commencement address. Major General Danner spoke of the Wentworth core values and encouraged the graduates to use those values of teamwork, honor, integrity, respect and duty as they move through life. The weekend events ended with the traditional flag ceremony, an emotional ceremony where the high school cadets form a circle and the college graduates form a square around that circle. A flag is then presented to each graduating cadet and he/she honors the flag with a kiss, while Auld Lang Syne plays in the background.

Seniors Jacob Blank and Chris Zhang lead their high school graduating class into the ceremony.

The Flag Ceremony is an emotional tradition at Wentworth that takes place after the Commencement Ceremony. The high school graduates make a circle and the college graduates form a square around them. Auld Lang Syne plays softly in the background, as each graduate kisses the flag when it is brought to them by members of the Battalion Staff.

Good Luck 134th Corps of Cadets!

May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.

And until we meet again,
May God hold you in the palm of His hand.
